We hope you enjoyed your visit to the University of Puerto Rico at Mayaguez (UPRM) and that your expectations were met. Thank you for participating in our HHMI funded program “Enhancing Advanced Educational Opportunities in STEM fields for Minority Students at UPRM”. This initiative aims to create more “research competitive” undergraduates and well-informed off-campus underrepresented minority mentors. We would like for you to please complete the following evaluation and return to maryl.jimenez@upr.edu. This data will be important to assess this initiative.

Thank you,

Nanette Difffoot-Cardo, Ph.D.
Project Director
University of Puerto Rico at Mayaguez (UPRM)

Name: ____________________________________________  Today’s Date: _______________________

Dates of visit to Puerto Rico_________________________

1. Career level: __PhD candidate    ___Postdoc ___Recent Professor __ Other (______________________)

2. Which of the following is true for your recent visit to UPR-Mayaguez (UPRM)?
   ______ Offered a research workshop to students
   ______ Taught students new research technique/s (Which?)________________________
   ______ Discussed research opportunities with students
   ______ Discussed graduate careers with students (How and When?)
   ______ Offered a seminar (to whom?)
   ______ Learned new research technique/s from host faculty lab (What did you learned? ___________)
   ______ Collaborated in research with the host faculty (Explain _________)
   ______ Recruited UPRM students for your lab (Explain ____________)
   ______ Socially interacted with students at:
      __ beach
      __ historic sites
      __ restaurants
      __ Old San Juan
      __ grocery shopping
      __ cooking with students
      __ visited a student’s family home
      __ field trips
   ______ Other (Explain) ___

3. Please provide us feedback on the following:  

<table>

5. Had you ever visited a primarily Hispanic institution (99% Hispanic undergraduates) before? ___No ___Yes (Where? ________________________)

5. Briefly comment on what you learned during your visit regarding Hispanic family life, food and culture.

6. Briefly comment about the dynamics of our research teams which included faculty, graduate students and undergraduates. How does it compare to the research teams at your institution and or your graduate school?

7. What did you learn by coming to UPRM, that you would not have learned, if you did not come to UPRM; that may help you be a better mentor to underrepresented minority students? __________________________________________

8. Has this experience motivate you further to get involved in minority affairs? ___No ___Yes (Explain: ____________________________)

9. Please rate your overall experience in this visit using a scale of 1(poor) to 10 (excellent) _____

10. How can this experience be improved?
