

HHMI 2012-2016 Visiting Scientist Research Workshop Assessment

Workshop Title: _____

Current year of study at UPR-M? Freshman Sophomore Junior Senior (4th year or more) Master's Student Other

Major? Biology Microbiology Premed Biotech Engineering Chemistry Other

Are you currently doing research? Yes No

If you are currently doing research, where? In the Biology Dept. At RUM, but not in Biology Dept. off Campus

Please Answer:	Strongly agree	Agree	Disagree	Strongly disagree
1. In this workshop I learned new research tools and techniques				
2. This workshop increased my confidence in doing research.				
3. This workshop encouraged me to pursue other research opportunities				

This workshop helped me develop the following research skills	Strongly agree	Agree	Disagree	Strongly disagree
4. Critical thinking and problem solving				
5. Communication skills				
6. Ability to work in teams				

Please rate the following	Excellent	Good	Fair	Poor
7. My interaction with the workshop visiting scientist				
8. Workshop organization				
9. Objectives of the workshop were met				
10. Participating in the workshop was a positive experience.				

11. What new research tools and techniques did you learn in this workshop?

12. Describe your interaction with the visiting scientist.

13. Did you learn about a research career in this workshop? _____ Yes _____ No

14. If yes, what did you learn in this workshop about a research career?

15. What are your career plans?

_____ Medicine or pharmacy (MD) _____ Graduate School (Masters MS or PhD) _____ MD/PhD _____ Otro ()

16. Did this workshop encourage you to pursue graduate studies (masters MS, PhD or MD/PhD)? _____ Yes _____ No

17. If Yes, how did this workshop encourage you to pursue graduate studies?

19. Recommendations for future Workshops: _____
